

OPPORTUNITIES IN STRUCTURED CABLING SYSTEMS (SCS)

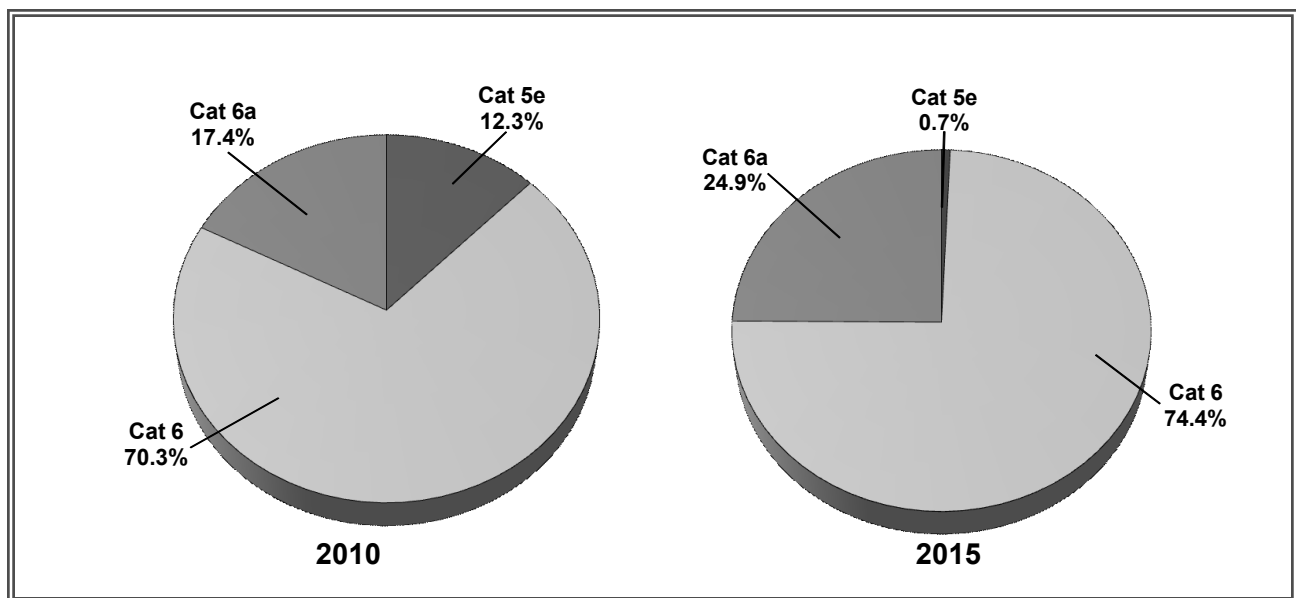

SCS MARKET/PRODUCT/TECHNOLOGY OPPORTUNITIES

The Report provides five-year SCS detailed product forecasts including products by cabling applications (LANs, data center, VOIP, wireless, video, other).

Forecast data includes:

- *UTP cables by categories*
- *Coax cables*
- *Fiber cables by multimode/singlemode*
- *Copper apparatus devices by product types (crossconnects, outlets, etc.)*
- *Fiber apparatus devices by product types (fiber interconnects, outlets, etc.)*

SAMPLE FIGURE FROM STUDY DISPLAYING UTP CABLES BY CATEGORY SHIPMENT TRENDS:

Study provides direction for product/market planning, including

- **What is the largest market opportunity for UTP cables — Cat 6 cable — Cat 6a cables?**
- **What is the largest growth market for future fiber cabling systems?**
- **What are the largest vertical markets (Retail, Finance, Healthcare, etc.) for UTP cabling — fiber cabling?**
- **What products are required for future data center cabling implementation?**
- **What products are needed for the future SCS market: niche products, ease-of-installation products, etc.?**
- **What technologies should be followed for future SCS product developments?**

TABLE OF CONTENTS

Chapter 1

Introduction

- Study Objectives
- Methodology/Sources
- General Notes

Chapter 2

Executive Summary

- Total SCS Market Forecast
- SCS Market Forecast by Applications
- Total Copper Cabling Market Forecast
- Total Fiber Cabling Market Forecast
- Market Opportunities Strategies

Chapter 3

Technology/Product Trends

- 40/100 Gbps Ethernet
- Power over Ethernet
- OM 4 Multimode Fiber Cables
- 1000 Gbps Ethernet
- New Plug N' Play Products
- New Copper Connectivity Products
- New Coaxial Connector Standard

Chapter 4

Total SCS Market Forecasts

- Total SCS Market Forecast
- Total SCS Market by Media Types
- Total SCS Market by Product Types

Chapter 5

Total SCS Market Cabling

Application Forecast

- Total SCS Market Forecast by Cabling Applications
- Cabling Application Trends

Chapter 6

Copper Cabling Forecast

- Total Copper Cabling Forecast
- Copper Cabling Forecast by Major Products
- Copper Cabling UTP – Coax Forecast
- Copper Cabling Forecast by Applications

Chapter 7

Copper Cable Forecast

- Total Copper Cable Forecast
- Copper Cable UTP- Coax Cable Forecast
- UTP Cable by Categories Forecast
- UTP Cable Volume Forecast by Categories
- UTP Cable by Cabling Application Forecast
- UTP Cable Volume Forecast by Applications

Chapter 8

Copper Apparatus Forecast

- Total Copper Apparatus Forecast
- UTP versus Coax Copper Apparatus Forecast
- UTP Apparatus by Product Types Forecast
- UTP Patch Panel Forecast by Applications
- UTP Outlets Forecast by Applications
- UTP Connectors Forecast by Applications
- UTP Apparatus Forecast by Applications

Chapter 9

Fiber Cabling Forecast

- Total Fiber Cabling Forecast
- Fiber Cabling Forecast by Major Product Types
- Fiber Cabling Forecast by Applications

Chapter 10

Fiber Cable Forecast

- Total Fiber Cable Forecast
- Total Fiber Cable Volume Forecast
- Fiber Cable Forecast by MM-SM
- Fiber Cable Volume Forecast by MM-SM
- Fiber Cable Market Forecast by Applications
- Fiber Cable Volume Forecast by Applications

Chapter 11

Fiber Apparatus Forecast

- Total Fiber Apparatus Forecast
- Fiber Apparatus Market Forecast by Product Types
- Fiber Apparatus Volume Forecast by Product Types
- Fiber Apparatus Forecast by Applications

Chapter 12

Copper Cabling Supplier's Opportunities

- Large Copper Cabling Systems Market
- Largest Growth Market
- Horizontal Cabling Subsystems Opportunities
- Cat 6 UTP Cable
- Unique UTP Apparatus Devices
- Shielded Cabling Systems

Chapter 13

Fiber Cabling Supplier's Opportunities

- Large Fiber Cabling Market
- High Growth Fiber Cabling Market
- OM3/OM4 Multimode Fiber Cables
- Fiber Plug N' Play Products
- High Density Data Center Products

Chapter 14
