

STRUCTURED CABLING SYSTEMS VERTICAL MARKET ANALYSIS

A COMPREHENSIVE ANALYSIS AND FORECASTS TO 2015 FOR THE USE OF STRUCTURED CABLING SYSTEMS IN VERTICAL MARKETS.

VERTICAL MARKETS INCLUDED IN THIS STUDY:

*Healthcare
Retail
State Government
Information
Education
Manufacturing*

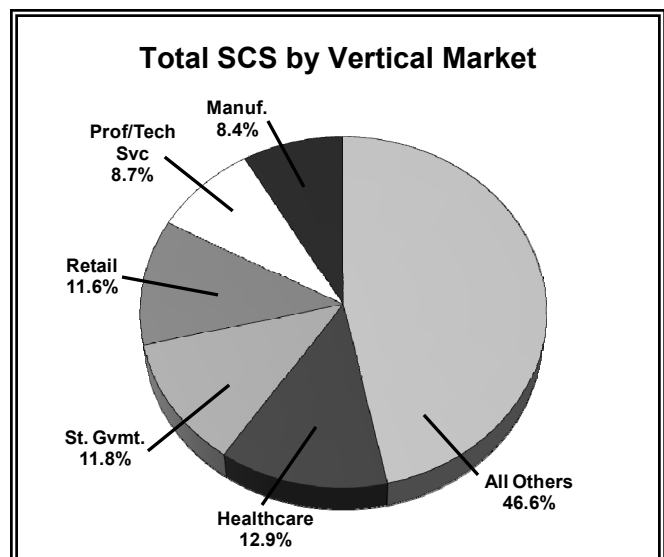

*Hotel/Food Services
Administrative/Support Services
Transportation/Warehousing
Professional/Technical Services
Finance/Insurance
Federal Government*

*Construction
Real Estate
Wholesale
Utilities
Other*

INCLUDED WITHIN THIS ANALYSIS:

- ✓ Total SCS Market
- ✓ Copper Cabling Systems Market
- ✓ UTP Cable Market
- ✓ Fiber Cabling Systems Market
- ✓ Fiber Cable Systems Market

A SAMPLE OF ONE OF 115 FIGURES:

Also Included is an analysis and forecast for the vertical markets by major cabling applications:

LANs — Data Centers — VOIP

Questions answered by this report:

- What is the largest vertical market for UTP copper cables? — fiber cables?
- How large is the SCS market for Healthcare, Retail or Manufacturing?
- What will be the largest vertical market for fiber cables in 2015?
- Which are the primary vertical markets to target in the future?
- For the healthcare sector, how large is the SCS market for LANs — Data Centers — VOIP?
- What will be the impact of emerging technologies (100 Gbps now, 1000 Gbps in the future) on the future SCS market?
